Charlotte

Hello! I am Amy. I am 21 years old and I live in Exeter in the United Kingdom with my mother and my sister. My hobbies include horse riding, skiing and reading. I have been horse riding for 7 years and thoroughly enjoy competing in competitions on a regular basis. I would really enjoy living with my family once a year due to the season. I visited America last year and found it to be a wonderful stress release and escape from everyday life. I see the future choosing to be a primary school teacher in schools across the globe and have many fond memories from the experience and people I met on my travels.
